

NEW MILLS GRAND DISPLAY FOR FINAL DAY

Exhibition on Arsenal Show
Training of Knights
Attending State Convocation

Meeting difficult drills in a manner that would make the best military organization envious, fully 2,500 members of drill teams and commanders of Knights Templar of Illinois yesterday afternoon on the drill grounds of the Rock Island Arsenal presented a spectacle long to be remembered by the thousands who were fortunate enough to witness it.

There was no judging and no prizes were awarded. Each commander gave the best that it had.

and it would be difficult to pick the winners, as well as the losers. The exhibition of the drill teams of the Rock Island Arsenal, No. 1, was probably the feature of the afternoon. This organization won first prize last year at the triennial convocation in Philadelphia, and the exhibition yesterday was given by special request.

Excellent Practice.
The battalion drills were well executed and round after round of applause was accorded the lines of knights which moved as units not one of those who composed them ever making a mistake.

The most impressive sight of the afternoon was the grand review. With the many hands commander after commander marched on the field until all the 2,500 were grouped ready to pass before the officers of the grand convocation. Then the music began and in company formation the thousands passed the reviewing stand.

The review was carried out on a line of the river and the background of the Arsenal in the background.

made a beautiful setting for the ceremony and the thousands of white uniforms moving over the field in perfect formation was a sight worth while.

Was Closing Ceremony.
The review was the closing ceremony of the 44th annual convocation of the grand convocation. The complete field day program follows:

Back Achy? "Feel All Worn Out?"

"Every Picture
Tells a Story"

ARE you burdened from morning to night with a dull, nagging backache? Does any little exertion leave you "all worn out"? Does it seem sometimes as if you just can't keep going? You know then, there is something wrong. So why not find out what it is and correct it? Very likely it's your kidneys. Modern life with its hurry and worry, and lack of rest and sleep, throws a heavy strain upon the kidneys. The kidneys slow up and that tired, depressed feeling and constant backache, are but natural results. You may have headaches and dizzy spells, too, and annoying kidney irregularities. Don't wait for dropsy, gravel, or dangerous Bright's disease. Determine to be well and stay well. Use **Doan's Kidney Pills**. Doan's have helped thousands. They should help you. Ask your neighbor.

These are Rock Island Cases:

Third Avenue

E. A. Martin, proprietor of electrical supply store, 1609 Third avenue, says: "Some years ago I was doing a great deal of heavy lifting and one day I strained my back. It didn't bother me so much at first, but two days later pain set in. I got so bad I couldn't walk at all for a few days and my kidneys got out of order, too. I was advised to try Doan's Kidney Pills and soon after I began taking them they helped me. I have used Doan's since then when a cold has brought on a slight return of kidney trouble. They have never failed to rid me of the attacks."

Thirty-eighth Street

Mrs. W. S. Healy, 1120 Thirty-eighth street, says: "For two weeks I was laid up in bed unable to move owing to the intense pain across my back and hips. My kidneys didn't act right at all and caused me a lot of distress. I had a tired restless feeling and was very nervous. My feet and ankles were swollen. I was so sore I couldn't turn in bed and every move I made sent darting pains all over my body. I got a sample of Doan's Kidney Pills and tried them. I was surprised how quickly they relieved me and I kept on taking them. Eight boxes of Doan's rid me of the trouble and I was again able to get around to do my housework. I have had no return of kidney trouble since."

Ninth Avenue

Mrs. T. J. Kilwell, 1521 Ninth avenue, says: "I suffered from a severe attack of kidney and bladder trouble and was laid up in bed for three weeks. My kidneys were in a terrible shape and caused me a lot of suffering. My back ached both day and night, so bad that I thought it would break. I tried various other kidney medicines, but nothing did me any good until I began using Doan's Kidney Pills. Doan's were just what I needed and after using three boxes, I got over the trouble."

Fifteenth Street

T. W. Hallwood, 421 Fifteenth street, says: "I had terrible pains across the lower part of my back and I was off work for over a week. When I once got down I could hardly straighten up again. My kidneys didn't act freely enough. I tried different remedies, but nothing did me any good until I began using Doan's Kidney Pills. This remedy seemed to go right to the seat of the disease, and after I had taken three boxes I was well and sound. I have many times recommended Doan's Kidney Pills to those complaining."

Tenth Street

James J. Carroll, pattern maker, 608 Tenth street, says: "I suffered a great deal from lameness across my back, that made it hard for me to do my work. I could hardly lift or stoop. My kidneys were weak and often I had no control over the passages of the secretions. A friend advised me to try Doan's Kidney Pills, so I got some at Bengston's drug store and they soon brought me relief. I have used Doan's several times since, when I have felt my kidneys needed attention and they have never failed to bring me the same good results."

No package of Doan's Kidney Pills is genuine unless it bears the maple-leaf trademark and the signature—James Doan.
